Basic Scout Leader Training in Chinese

中文童軍幹部訓練

Dear Scout Parents:

Silicon Valley Monterey Bay Council cordially invites you to attend the 2018 Basic Scout Leadership Training (BSLT) in Chinese. The training consists of a SM/ASM specific (SMS) and an Outdoor Leader Skills (OLS) courses. By completing both courses, you will be certified as a "Trained" adult leader, thereby earning a "Trained Patch". For Cub leaders, we offer a Cub Leader Specific (CLS) course, which is tailored to Cub leader's need.

These courses will closely follow the BSA training guidelines and materials. However, to ensure the targeted participants fully understand the Scouting Principles and Skills, the courses will be **conducted in Chinese (中文)**. All adult leaders and parents are encouraged to participate in these Basic Training Courses.

Outdoor Leader Skills, a fun-filled program of hands-on skills training in an outdoor environment, designed to help participants master the basic camping skills required for Tenderfoot to First Class. The experienced Chinese-speaking instructors will help participants with learning the following:

- *Setup CampSite*
- *Outdoor Cooking*
- *Working with wood tools*
- *Compass/Map/Hiking in the Wilderness*
- *Nature/Plant Identification*
- *Scouting Knots*
- *First Aid*
- *Campfire Planning*
- *Backpack Techniques*
- *Leave No Trace*

These skills will ultimately increase your comfort level and give the participants confidence as a trained, skilled leader or simply as an well-informed scout parent. The program will also give you the opportunity to work with other Scout leaders from your area. You are guaranteed to meet some new friends. For participants with some outdoor experiences already, these courses will help to reinforce your skills or techniques with fellow unit leaders. Ultimately, these trainings will enable the participants to keep up abreast with your children in scouting.
